

Process Instrumentation and Heat Trace Specialists

 <p>Heat Tracing Solutions Industrial, Commercial and Residential Heat Tracing. Industry renowned names as Raychem, Tracer, Pyrotenax and Digitrace.</p>	 <p>Instrumentation and Controls Flow, Pressure, Temperature. pH, Conductivity, Oxygen, Density. Control, Recording, Data Acquisition. Wireless I/O, Distributed Control Systems, PLC.</p>		
 <p>Level And Flow Products Guided Wave Radar, Pulse Burst Radar, RF Capacitance, Contact and Non-Contact Ultrasonic, Thermal Dispersion, Buoyancy/Float.</p>	 <p>Regulators and Control Valves Sliding Gate Regulators and Control Valves, High Pressure Regulators and Control Valves, Low Flow Regulators and Control Valves, Globe Style Regulators and Control Valves.</p>		
 <p>Industrial Wireless Industrial wireless solutions including wireless I/O, wireless modems, wireless gateways, etc... Yokogawa Integrated Solutions.</p>	 <p>Magnetic Level Indicators MLI's - Atlas, Aurora, Gemini. Transmitters - Jupiter, Eclipse, OCT400. Switches - OES100, ORS-300</p>	 <p>Generator Monitoring Generator Condition Monitor, Generator Gas Dryers, Gen-Tags, Portable Hydrogen Gas Analyzer, Hydrogen Purity Analyzer.</p>	 <p>Liquid Analytical Instruments Sodium, Dissolved Oxygen, Silica, Conductivity, pH/ORP, Turbidity</p>
 <p>Pressure Gauges Direct Drive Pressure Process and Test Gauges.</p>	 <p>Temperature Sensors RTD Sensors, Thermocouples, Thermowells, Connection Heads, Temperature Transmitters, Sensor Accessories.</p>	 <p>Temperature and Pressure Bimetal thermometers, pressure gauges, diaphragm seals, RTD's, Thermocouples. Pressure and Temperature transmitters.</p>	 <p>Digital Indicators Digital Panel Meters, Temperature Controllers, Annunciators, Scanners, Pressure Gauges and Enclosures.</p>
 <p>Sanitary Valves Sanitary Ball Valves, Sanitary Control Valves, Sanitary Pressure Regulators, Clean Steam Traps, Sample Coolers, Check Valves, Valve Positioners.</p>	 <p>Quarter Turn Ball Valves Two Piece Ball Valves, Three Piece Ball Valves, Flanged Ball Valves, Multi-Port Valves, Automation and Accessories.</p>	 <p>Steam Traps Delta Element Steam Traps, Universal Steam Traps, Sanitary Steam Traps, Inverted Bucket Steam traps, Float & Thermostatic Traps, Disc Traps.</p>	 <p>System Integration Test systems integration company that provides cost-effective turn-key solutions for your Functional Test, Product Certification, Data-Acquisition.</p>
